

APM Terminals Mumbai

TRADE ADVISORY

Date : 20th November 2014

Place : Nhava Sheva

Dear Valued Clients,

Greetings from APM Terminals Mumbai.

In our constant endeavor to support the Ex-Im Trade, we are pleased to inform you that checking and verifying container seals for GTI containers will not be done by CISF (Central Industrial Security Force). To perform this activity, GTI has deployed Security guards at separate locations prior to gating-in/out which will enable faster gate-in/gate-out and turnaround of your containers at APM Terminals Mumbai.

Further, we request you to kindly ensure that the data provided in Form-13 / Import Advance List (IAL) should match the physical data on containers, in order to enable us for faster turnaround of your containers. In case of mismatches, current procedure of cross-checking with Shipping Lines shall remain unchanged.

At APM Terminals Mumbai, we are committed to serve the Ex-Im trade and above change is one more step in that direction.

Reference: Circular from JNPT in this regard.

Your support and cooperation in this regard will be highly appreciated.

Thanking you,

With regards,

APM Terminals Mumbai
