

APM Terminals Mumbai

TRADE ADVISORY

Inter terminal movement for imports ex GTI

Date : 13th February 2015

Place : Nhava Sheva

Dear Valued Client,

Greetings from APM Terminals Mumbai.

We are pleased to inform that that effective today, in collaboration with Jawaharlal Nehru Port Container Terminal (JNPCT) we have started a process for one way inter terminal movement of trailers/trucks from JNPCT to GTI for import pick up. i.e. trailers/trucks with export units intended for loading on vessels ex JNPCT can now offload the containers at JNPCT and can make an inter terminal movement to GTI for onward pick up of import delivery containers.

This will save considerable time and costs for you and your customers as the trailers/trucks will not need to exit JNPCT gates and then make the onward trip to GTI gates.

We look forward to your continuous support and at GTI we always strive for customer delight through innovative solutions.

Assuring you the best of our services,

Kind Regards,

Suchit Kapoor
