

APM Terminals Mumbai

TRADE ADVISORY

Parking facility for factory stuffed export containers

Date : 21st October 2015

Place : Mumbai, India

Dear Valued Partner,

Greetings from APM Terminals Mumbai.

As part of our continuing efforts to improve connectivity to our terminal, we are glad to inform you that a new parking area has been made operational. The new facility - Parking area no. 4, is located near village Jashkar, at the entry of the dedicated access road for the terminal (liquid corridor road) and will be used exclusively for factory stuffed export containers for loading on vessels calling APM Terminals Mumbai.

CFS containers, Reefers, ODC and Empty export containers intended for loading on vessels calling APM Terminals Mumbai with valid documents will continue to move directly to the terminal.

The process for factory stuffed export units will be as follows:

- All factory stuffed containers will gate-in to the parking area
- Against the parking in-ticket APMT staff will carry out the pre-check transaction at the existing APM Terminals Mumbai Pre-Gate (located opposite parking out-gate)
- Parking attendant will allow truck/trailer to exit on pre-checked form 13 for vessels whose container gates are open

Location map given below for directions.

The new facility is expected to address the issue of illegal parking on both sides of the road which was taking away 2/3rd of the available road capacity. The factory stuffed containers without valid documents arriving on trucks/trailers that used to park on either side of the roads, shall now park in the parking area no. 4 and only after all documentation and checks have been completed they will proceed to APM Terminals Mumbai gates.

The charges for the use of the parking shall be Rs. 60/70 per 20'/40' per 8 hours as notified by JNPT which will be collected by the parking yard contractor prior to trailers exiting the parking area.

In case any further information is needed please feel free to contact our Gate operations team on +91-22-66811225 or write in at mumgate@apmterminals.com

We request you to inform your customers and transporters accordingly and ask them to use the parking facility.

Location Map: Approach Road (1/2)

Location Map: (2/2)

Assuring you the best of our services at all times.

Kind Regards,

Suchit Kapoor
