

APM Terminals Mumbai

TRADE ADVISORY

Date : 28th August 2014

Place : Nhava Sheva

Dear Valued Clients,

Greetings from APM Terminals Mumbai.

Kindly note that there is a build-up of Import Rail Containers. This build-up is hampering the normal efficient functioning of the terminal.

We are doing the following in order to ensure the smooth functioning :

- a) Regular request with your logistics partners to push their contracted rail operators
- b) Requesting to look at alternate Rail facilities like DRT etc.

While we are maximizing our efforts, we request you to please urge your logistics partners to expedite the delivery of your Import Container from the terminal in order to enable us to serve you better.

With Regards

APM Terminals Mumbai
