

APM Terminals Mumbai

TRADE ADVISORY

Date : 12th September 2014

Place : Nhava Sheva

Dear Valued Clients,

Greetings from APM Terminals Mumbai.

As per Advisory received from the Jawaharlal Nehru Port, details of Hazardous/ Dangerous goods handled have to be sent to JNPT on a monthly basis. The report would include both Export and Import Hazardous containers.

In view of the above, we request the Vessel Operating Agent (VOA) to forward us a consolidated Hazardous (Haz/Special) Manifest (of all Lines operating on a specific Service) in the under-mentioned format. This should be done separately for Export/ Import containers i.e. One Special Manifest – for One Vessel.

The listing would include '**ALL**' containers discharged from/loaded on a particular vessel in one excel sheet viz; Dangerous Goods (DG), Hazardous (Haz), Reefer, Scrap, Onion etc.

Prescribed Format:

Via No	Category	Container No.	UNDG Code	IMO	Proper Shipping Name	Gr. Wt.
---------------	-----------------	----------------------	------------------	------------	-----------------------------	----------------

The same would be applicable from the next voyage.

Your cooperation in this regard would be highly solicited.

Thanking you,

With regards,

APM Terminals Mumbai
