Dear Valued Partners,

Greetings from APM Terminals Mumbai.

At APM Terminals Mumbai, "Safety for Life" is paramount. In our constant endeavor to improve safety, we will facilitate that the truck drivers do not need to get down from the truck to hand over their gate pass to their supervisors when entering the gates. Likewise, during exit they do not need to collect the custom's endorsed gate pass from their supervisors.

We appreciate your co-operation in improving Safety at the terminal.

Kind Regards
