Dear Valued Customer,

Good morning!

This communication is to inform you that the gate operations at our terminal has been affected due to external factors beyond our control. Owing to the situation, the out-gate and in-gate at our terminal had to be shut. The out-gate was shut at 5.30 am, whereas the in-gate was shut at 6 am this morning.

We request you to take a note of this situation. We are constantly monitoring the situation and will intermittently update you.

Thank you!
