**TO WHOMSOEVER IT MAY CONCERN**

In our effort to serve your vessels efficiently, we would sincerely solicit your assistance with the data quality of Export Advance List (EAL) that is provided to us for final planning of your ship.

We would sincerely request to include in EAL, details of containers which have been gated in at the terminal for the intended vessel only and not to include containers which have arrived on other vessels or services.

We look forward to your co-operation on the subject matter and please do let us know for any assistance, support that may be required.
