

Seamless Evacuation

Date: 30th April 2020

Greetings from APM Terminals Mumbai!

This is with reference to advisory released on 29th April 2020 regarding "Waivers on specific charges". With these waivers, containers under 'Finance hold', are now released. However, please note that the waivers are applicable until 3rd May 2020. Thus, charges pertaining to the billing heads currently waived, shall come into effect from 4th May 2020 itself.

We hereby encourage you to evacuate all your containers until 3rd May 2020. Else, do top up your PDA in order to ensure seamless terminal services.

Please be advised that terminal remains operational in all respects. Please do not give into any rumours. Do feel free to reach out to our Customer Service desk in case of any queries.
