

Onboarding of e-Invoice

Date: 23rd Sep 2020

Dear Valued Customer,
Greetings from APM Terminals Mumbai!

Further to the advisory on the onboarding of e-Invoice dated 15th Sep 2020, kindly be advised that we shall be sharing a pdf copy of e-invoice bearing IRN and QR code, as generated from the Government portal i.e. Invoice Registration Portal (IRP). This will be in addition to the commercial invoice which company is sending currently.

Basis the various communications received from GST Authorities once the e-invoice is applicable, you will receive below mentioned 2 invoices from our side. **Invoice no** will be common between both the files.

1. Tax invoice bearing IRN & QR code
2. Commercial invoice copy same as current practice
