

## **Advisory: Track & Trace**

Date: March 02, 2021

Dear Valued Clients,  
Greetings from APM Terminals Mumbai!

We are happy to advise that a new container tracking facility - **Track & Trace** has been added to the bouquet of our services offered online. This facility is available on our new portal [www.apmterminals.com/mumbai](http://www.apmterminals.com/mumbai). This facility may be utilised by anyone trying to track a container with just the container number itself. Refer Track & Trace user manual available under Customer tab to help you acquaint yourself with this simple tool.

Whilst you shall be visiting the page, we encourage you to register on the webpage to subscribe to our **Terminal Alerts** functionality whereby you could receive any advisory published on the website directly in your mail box by undertaking a simple registration on the following link:
