

## **Advisory: IMO Sub-Class Change**

Date: March 24, 2021

Dear Valued Clients,

Greetings from APM Terminals Mumbai!

In keeping with the principle of *Safety being our license to operate*, handling of hazardous containers is managed as per stringent IMDG regulation.

Thus, this is to advise you that correction in mis-declared or updation for non-declared IMO sub-class for hazardous containers shall be subject to a shifting charge to ensure safe stacking.
