

APM Terminals Mumbai

LIFTING INDIA'S TRADE

- **FORM-13: A critical component to your business**
- **Dredging of the Mumbai Harbour Channel Completed**

Dear Valued Clients,

Greetings from APM Terminals Mumbai!

It is always a pleasure connecting with you.

As your service provider we strive to add value to your business by upgrading ourselves to serve you better. In the recent past we have successfully endeavored to provide your cargo better access to APM Terminals Mumbai by following the dedicated liquid corridor. Through streamlining of the Form-13 process we have taken a step further to ensure smooth flow of your cargo to terminal's gates.

We shall endeavor to keep you informed of recent updates pertaining to the terminal and its diverse facets as we partner towards India's Growth!

Best regards,

Team APM Terminals Mumbai

FORM-13:

A CRITICAL COMPONENT TO YOUR BUSINESS

To ease your business requirements APM Terminals Mumbai has started issuing Form-13 directly to the Shipping Lines on basis of the total agreed moves for each Service operating from the terminal.

Here's how streamlining issuance of Form-13 helps you:

- Form-13 is provided by APM Terminals Mumbai to Shipping Lines for the specific vessel/ ship calling at the terminal
- Form-13 is not a Traded Document - No costs attached to it
- The Shipping Line further disseminates the Form-13 to all concerned
- Ensures approach roads to APM Terminals Mumbai are free for movement of given containers

Further updates in the coming weeks, Keep Watching!
